

STAGE ONE

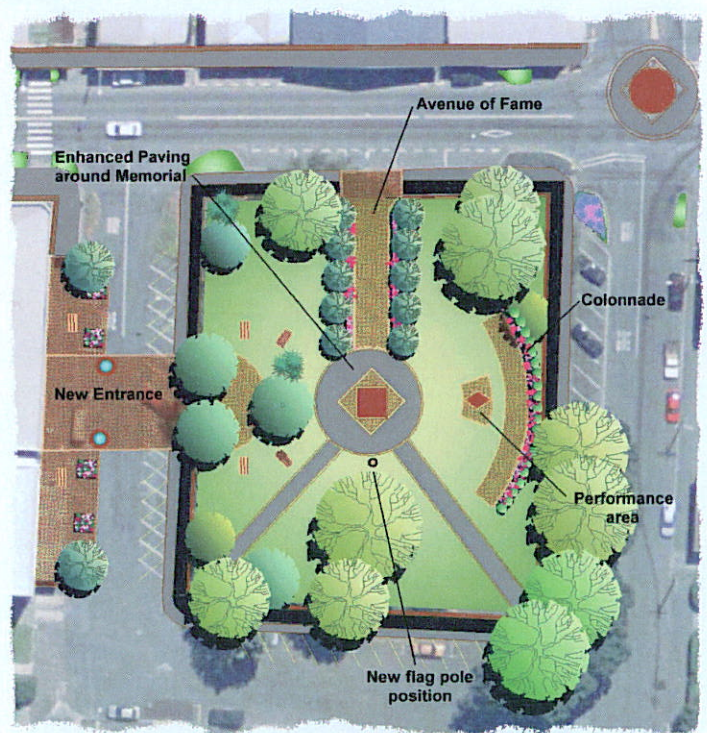

MEMORIAL SQUARE UPGRADE

PURPOSE OF UPGRADE

- ♦ Develop a more inviting and useable public space
- ♦ Create an outdoor area for al fresco activity from adjacent restaurants and cafes
- ♦ Create a safe space especially at night
- ♦ Enhance the ceremonial aspects of the War Memorial

KEY FEATURES

- ♦ Creation of Avenue of Fame as a ceremonial entrance to the Memorial from High Street. Avenue will have plaques of famous Carterton identities set within coloured paving with uplighting into avenue trees. Avenue will be lined with colourful flowers.
- ♦ New entrance formed at Power Board building to be symmetrical to Memorial and performance area behind. Establishment of art/sculpture and new planting to enhance new entrance.
- ♦ Development of performance 'stage' and colonnade for Ceremonial occasions and other Performance activities. Colonnade to be planted behind for screening and addition of colour.
- ♦ Lighting and seating developed throughout Memorial Square to Enhance environment and Provide for safety of users.
- ♦ Removal of some existing vegetation to provide more useable space and to provide more light into Square.
